

# LEAP THREE-YEAR SNAPSHOT

By-the-Numbers Impact of Language Enabled Airman Program (LEAP), May 2022-2025

Through LEAP (see DAFI 36-4005), the Air Force Culture and Language Center develops a highly capable, motivated, agile inventory of Airmen and Guardians from across the General-Purpose Force (GPF) who provide the connective tissue that bridges language and cultural barriers with allies and partners to create a more interoperable, lethal force prepared for agile combat employment. Language + Culture = Speed

## LEAP SCHOLAR INVENTORY

**3,733 Airmen & Guardians, 195 Core AFSCs**

**87 Languages** primary (selected) or secondary (cross-training) control language

**333 Home Duty Stations** (installations, embassies, GSUs)

**59% hold a LEAP Special Experience Identifier (SEI)**

**41% on path to earn LEAP SEI**

## IMMERSIONS

completed by **1,861** Scholars, **54** languages, **61** countries, including:

**136 LEAP-ACE** Language Intensive Training Events (LITEs)

**617 Integrated Deterrence** themed, regionally-focused courses

## EMENTOR COURSES

Completed by **2,669** Scholars in **76** languages including advanced courses which incorporate integrated deterrence topics and interpretation/translation skills

## INTERNATIONAL AFFAIRS

SAF/IA Foreign Area Officer (FAO) Partnership

**235 of 515 FAOs (46%) developed via LEAP**

**53 of 75 (71%) LEAP-to-FAO (FY22-24)** traditional development path

**197 Immersions and 94 eMentor Courses for FAO**

## TRAINING PARTNERSHIP REQUESTS

Exercises, Mobile Training, Conferences, Translation Projects

**350 Unique Events, 51 Countries, 956 Requirements Met**
