

BIOGRAPHY

UNITED STATES AIR FORCE

MR. RICHARD P. BARBOUR

Mr. Richard Barbour is the Chief, Professional Continuing Education (PCE) at the Air Force Negotiation Center (AFNC), Maxwell AFB, Alabama. Designs, develops, implements, and manages Education and Training Programs for negotiation and mediation related curricula for the AFNC. Manages and administers Instructional Systems Design (ISD) Programs and Quality Control Process for the Total Force development of a range of Alternative Dispute Resolution Tools; these include adaptive conflict management, negotiation, and mediation skills as a core leadership competency for all Airmen (Officer, Enlisted and Civilians) as well as the development of negotiations as a corporate capability for the Air Force. Conducts research, analyzes, and synthesizes information to develop executive and institution level briefings and training products.

Prior to his current position, Mr. Barbour was an Instructional Systems Designer Air University's eSchool of Graduate Professional Military Education. In this capacity, Mr. Barbour worked collaboratively with faculty and staff of Air University creating and updating curriculum to support 24,000+ students through learning design and technology; supported both residence and distance learning curriculum through the creation of courses and websites, facilitated the use of different learning management systems, and developed interactive and innovated technologies to enhance student learning.

During his 24 year Air Force career, Mr. Barbour served as an Air Force Office of Special Investigations Special Agent conducting complex felony level investigations (criminal, fraud, counterintelligence, internal security, espionage, sabotage, terrorism), provided global Counterintelligence support, protective service operations (including two U.S. Presidents). Mr. Barbour also served at Air University as a Squadron Officer School Flight Commander, Aide-de-Camp to the Air University Commander, and AFOSI Detachment Commander.
