

CALL FOR PAPERS

Journal of Military Conflict Transformation

The Air Force Negotiation Center is now accepting submissions for the December 2023 issue of the JMCT. The perspective theme for the issue is The Art of Civil Discourse. Even so, we invite you to submit works related to topics involving conflict transformation, conflict management, dispute resolution, negotiations, facilitation, and mediation as well.

The winter issue of the Journal of Military Conflict Transformation will continue to provide analytic tools for those interested in resolving conflicts at work, at home, or in the community. Papers submitted for this issue should address civil discourse in relation to both positive and negative conflict. Papers must be submitted no later than 15 November 2023.
