

AIR UNIVERSITY ★ AY25

The intellectual and leadership-development center of the Air and Space Forces

AIRPOWER U

"Air University is our nation's *only* university which exists solely to develop leaders who are experts in the art and science of the delivery of airpower. Every one of our students is an airminded practitioner who must be a leader of character, think critically, embrace teamwork, and relentlessly pursue mission success."

— Lt. Gen. Andrea D. Tullos, USAF (Commander and President, Air University)
