Program Overview

The Global College's Airman Leadership School distance learning curriculum is designed to produce a more effective supervisor and leader by strengthening their ability to lead, follow and manage in complex and ambiguous environments at the squadron, group and wing levels.

Program Description

The Airman Leadership School Distance Learning (ALS DL) program consists of approximately 60 contact hours. The program focuses on leadership skills required of supervisors and reporting officials throughout the Air Force. ALS DL enhances the development of senior airmen by strengthening their knowledge about leadership, followership, and management while broadening their understanding of the missions and cultures of the Air Force. It does so with a focus on the Wing/AF level, leading people, strategies for problem solving, and cultural foundations.

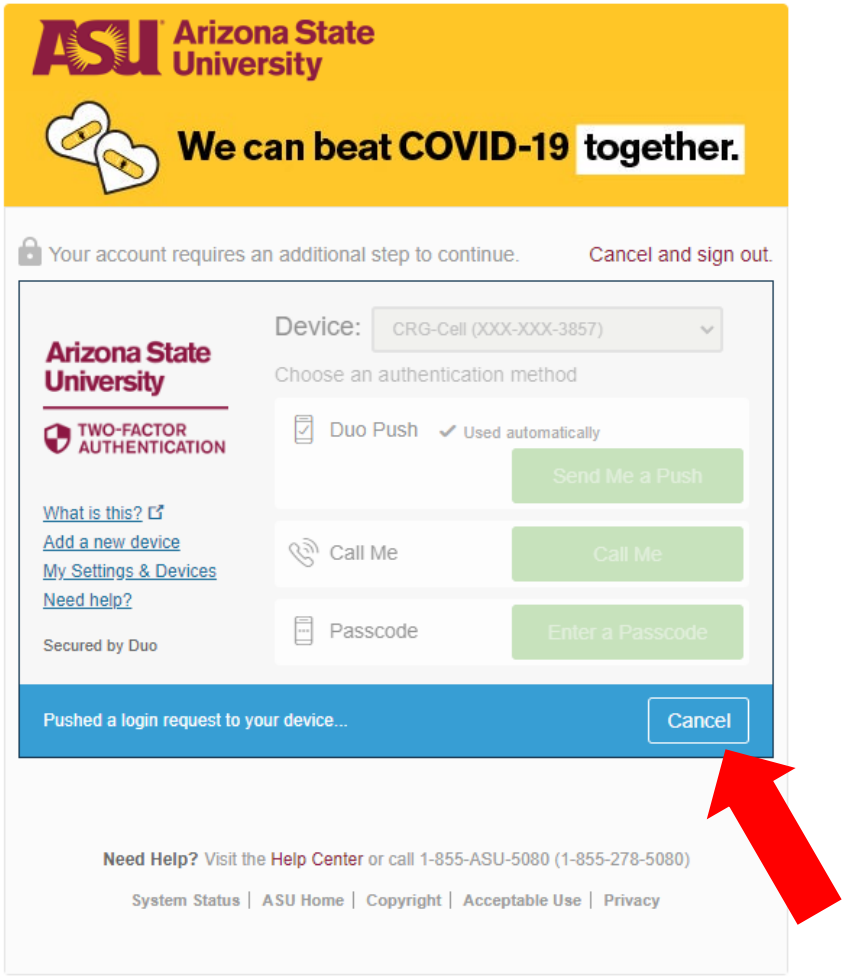
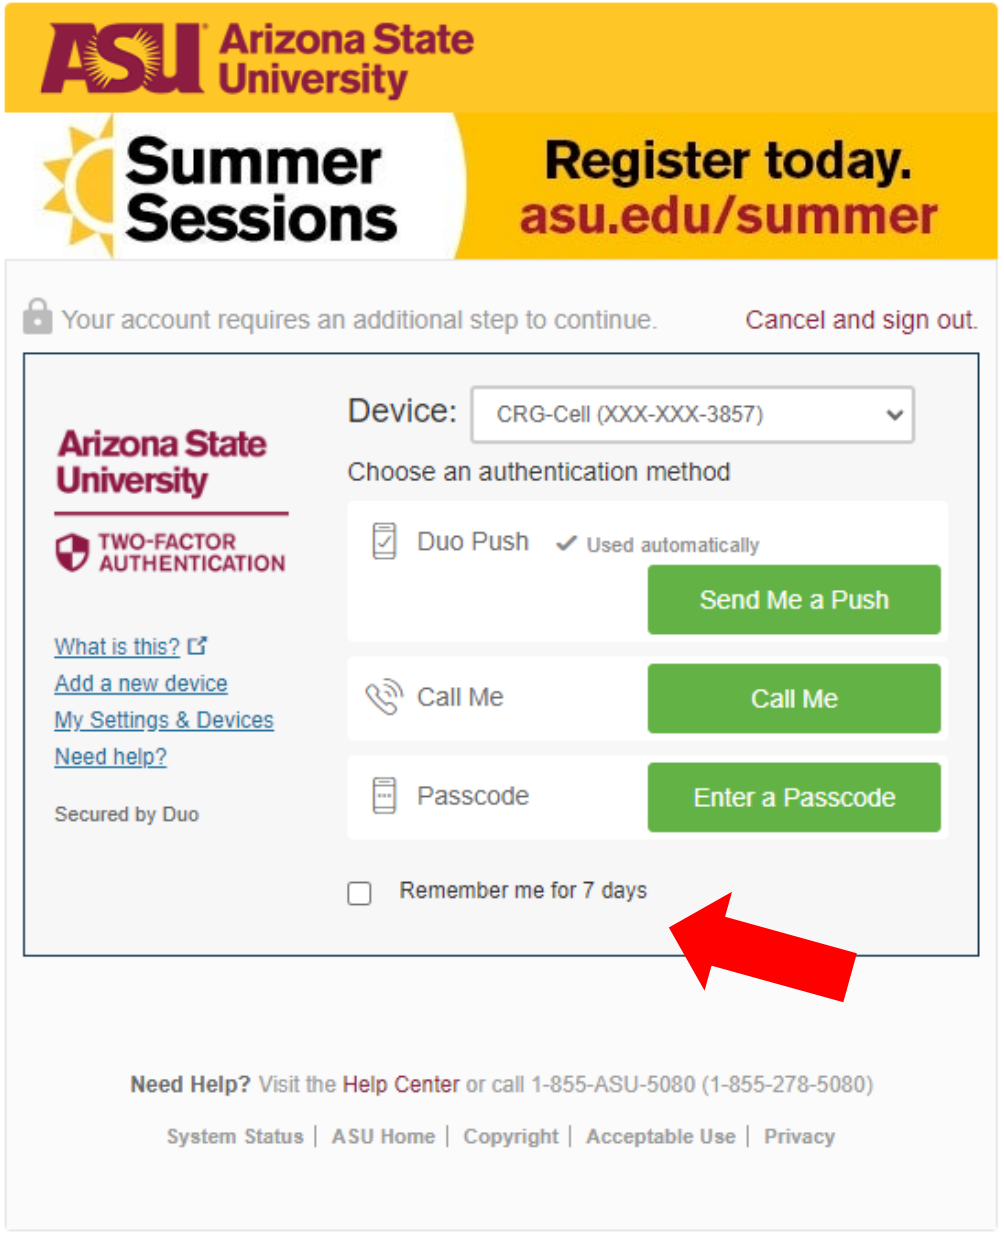
Streamline DUO (2 Factor Authentication)



In order to access the site you will need to authenticate.

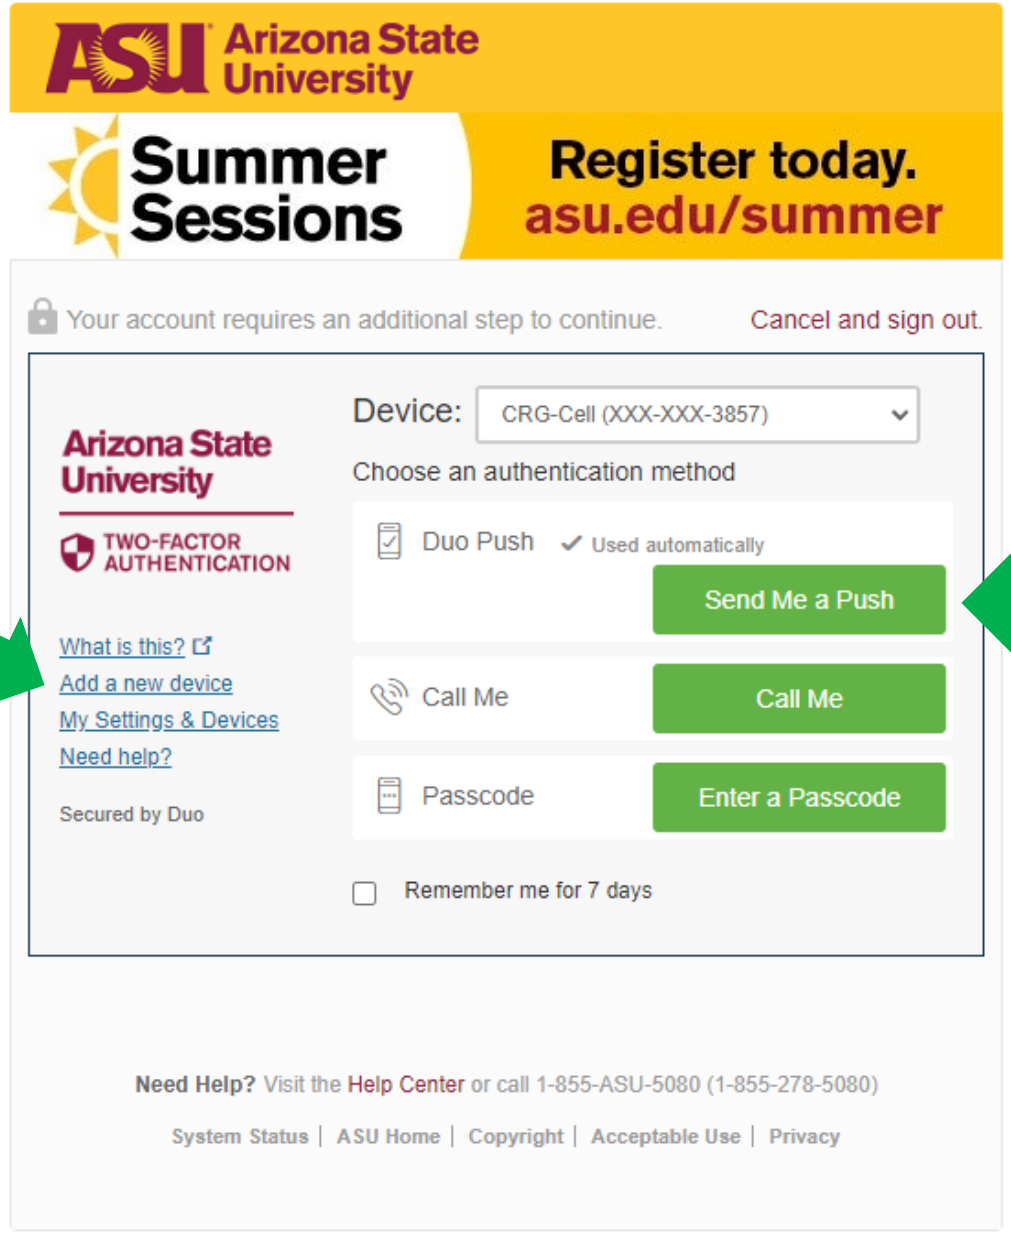
BUT NOT EVERY DAY!!!

Press Cancel For a wonderful Hidden Bonus

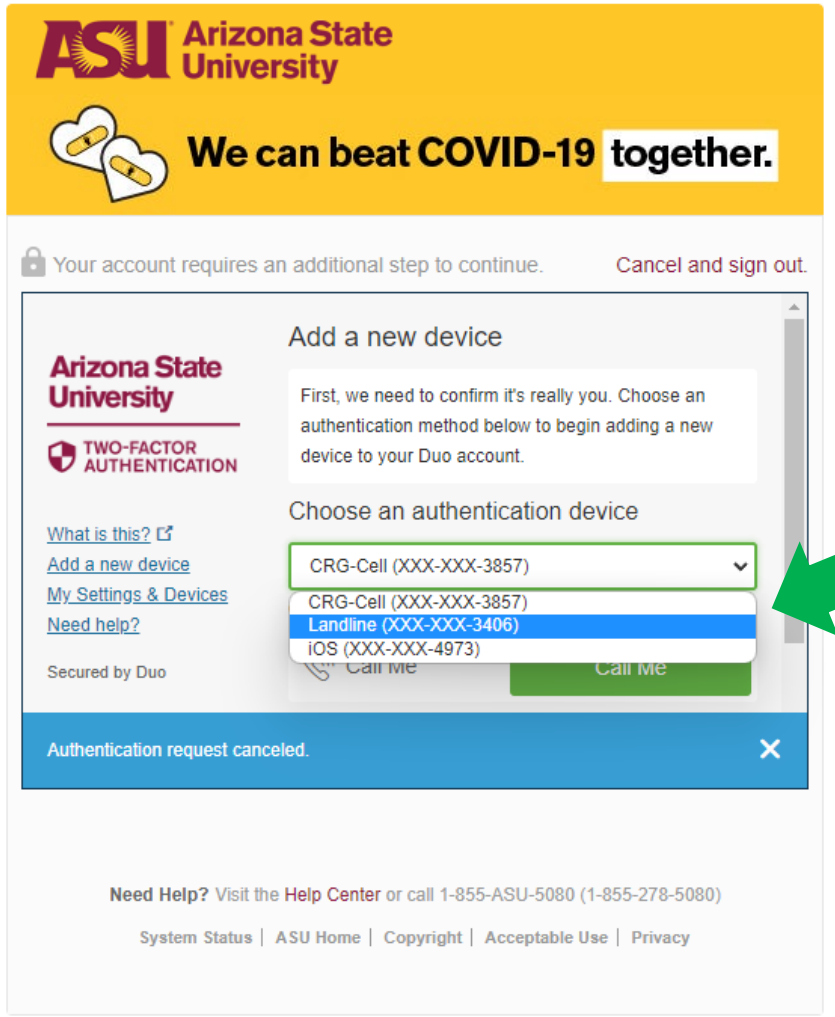


I used DUO for months before I found this gem!

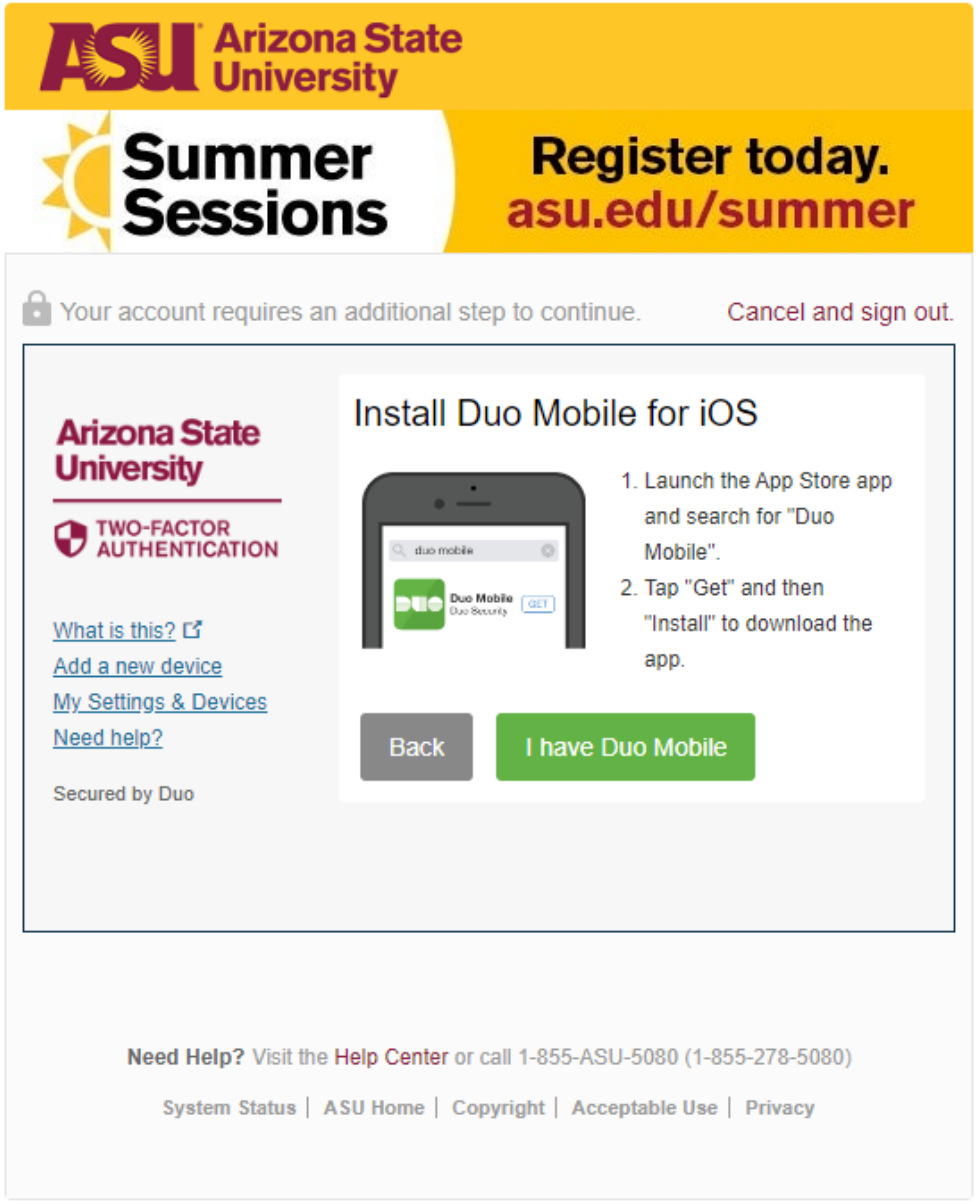
Do you do school coursework at home AND office?
Add a new device for increased flexibility



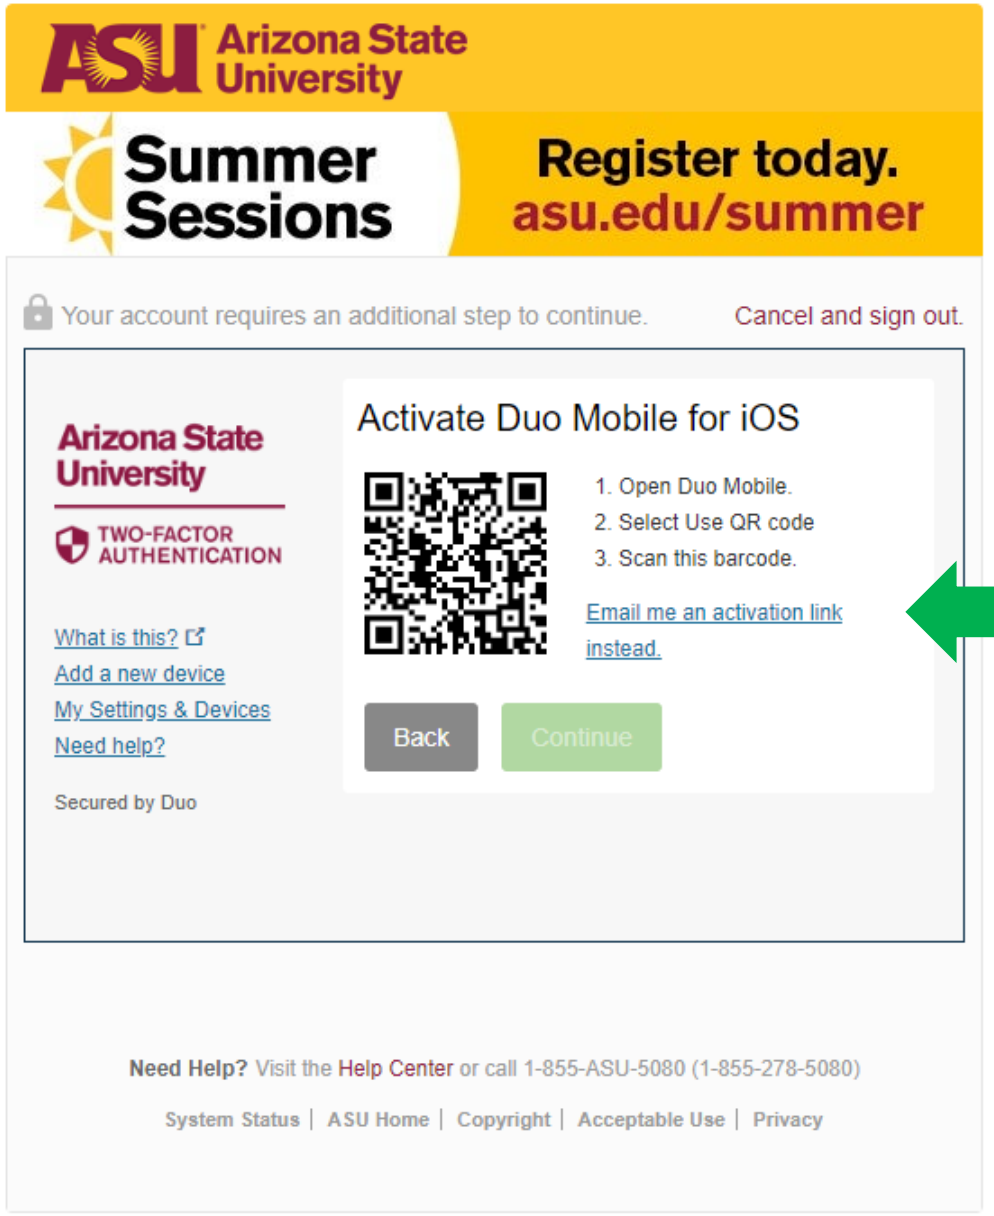
You will need to add the DUO application to devices if you do NOT want just the “Call Me” option



I have configured myself for Office Number, Cell Phone, AND my IPAD



Again,
You will need to add the DUO application to devices for the "Send me a PUSH" Option



I use the activation link option but if you have a camera option, QR code is also available
