

AY 2027-2029 Master of Military Operational Art and Science Schedule

Course registration is accomplished via the Student Registration Portal at <https://au.asu.edu/portal>. Registration closes four weeks prior to the course start date.

JP-5510 must be taken before JA-5510. RE-5611 should **not** be taken immediately following RE-5610: allow at least one term in between for research and writing.

Registration deadlines are firm: we contract the number of instructors to accommodate the number of students registered as of that date. There are no waitlists or late registrations.
