(Supersedes OTS Welcome Guide dated 2021 and earlier)
COMMANDANT’S WELCOME

Congratulations on your selection to attend the Department of the Air Force Officer Training School (OTS). You are about to embark on one of the most formative and challenging opportunities within the profession of arms. The OTS mission is building Total Force Leaders committed to our oath, values, and creed.

As officers we answer to a higher calling, to selflessly serve and lead our Airmen and Guardians. We engage in a cause bigger than ourselves and grander than our own ambitions and desires. Our OTS instructors are highly motivated, exceptionally talented, and extremely dedicated to this higher calling. We will give our best to ensure every officer trainee who passes through this school is ready to serve and lead, with the guts to fight, and grit to win our Nation’s wars. At OTS we train and work hard, so America will bleed less and win in war. We will demand your best as we assess, coach, and mentor you through this OTS crucible. Your successful completion will depend on your commitment to learn and improve. Our standards are high. “Excellence in all we do” is the OTS expectation. We will physically and mentally challenge you because the Airmen and Guardians you will lead deserve the finest officers our Total Force can deliver.

Thank you for choosing to become a warrior and leader of character, an unwavering defender of the Constitution, and servant of the Nation. Prepare yourself physically, mentally, and morally to work hard and give your very best at OTS by living with honor, lifting others, and elevating performance. Know your “why,” what inspires you, and why you choose to serve. Finally, know your goals, what you want to give and achieve at OTS. What will you do to become a better wingman, leader, and warrior?

I look forward to returning your salute on graduation day and serving as your wingman and brother in arms. Thank you for answering the call to serve and lead...“Always with Honor.”

2. **PRE-ARRIVAL REQUIREMENTS AND RECOMMENDATIONS**

2.1. **Pre-Arrival Requirements.** WINGS accounts for OTs are created when the Training Requester Quota Identifier (TRQI) allocates that student to OTS. WINGS is where all pre-arrival requirements are located. Logon information will be sent as a system-automated email via WINGS (see paragraph 2.2.3).

NOTE: All inbound OTs must ensure personal information is correct and accurate to include any changes in their primary email address. This information is used for official military commissioning paperwork and graduation certificates. IF YOU ARE ENROLLED, BUT DO NOT HAVE ACCESS TO WINGS, CONFIRM WITH YOUR TRQI YOU HAVE BEEN LOADED CORRECTLY.

2.1.1. Inbound OTs must complete all demographic data in WINGS no later than (NLT) 10 calendar days before reporting to OTS and pre-course assignments prior to arrival. Review all reporting instructions.
2.1.2. Visit the OTS homepage for important information: OTS Homepage
  <https://www.airuniversity.af.edu/Holm-Center/OTS/>

2.2. Pre-Course Assignment.

2.2.1. Completion of pre-course assignments is mandatory prior to arrival to OTS as this material is included in the In-Residence Academic Assessments. Failure to complete pre-course assignments will result in removal from the program.

2.2.1.1. Estimated time to complete the pre-course assignment is 21.5 hours.

2.2.1.2. Guard and Reserve members may apply for “points-only orders” to complete pre-course assignments.

2.2.2. Designed as distance learning and provides a knowledge base to accomplish the in-residence curriculum.

2.2.3. You will receive two (2) system-generated emails, one (1) with login and one (1) with a password, from wings@holmcenter.com (this is an automated/un-monitored email account) no later than 14 days prior to class start or when you are added to a class via the TRQI. NOTE: Emails might end up in your “SPAM” or “JUNK” folder.

2.2.4. Must watch “Getting Started, Pre-Course Introduction”

2.2.5. Pre-Course Assignment login: WINGS <https://wings.holmcenter.com>

2.3. Medical.

2.3.1. OTS has partnered with Intake Q, a commercial and HIPAA compliant data collection portal, for all medical in-processing items. All OTs will receive an email with instructions on all required items, immunizations, and questionnaires that need to be uploaded prior to arriving to OTS.

2.3.2. COVID vaccination information will be provided in the email mentioned above.

2.3.3. All personnel should ensure they bring a 60-day supply of prescribed medications with them. Members are authorized to bring over the counter medication such as Motrin and Tylenol, but must advise OTS Staff for emergency medical response purposes.

2.3.4. OTs may not attend training while pregnant. OTs may not attend training 6-months post-partum without their medical provider’s written approval and AETC/SG concurrence.

2.3.5. OTs may not attend OTS while on a medical profile without an approved medical waiver (AF Form 422) and approval of the Training Squadron Commander.

2.3.6. ALL inbound OTs (to include prior enlisted members) will upload questionnaires into Intake Q. Members who have immunization records within the military system will NOT need to provide them. Hard copy medical records will not be accepted at OTS. Direct all medical questions to ots.medical.mds@us.af.mil (due to HIPAA laws, DO NOT EMAIL MEDICAL RECORDS).

2.4. Recommendations.
2.4.1. Read Department of the Air Force Manual (DAFMAN) 36-2905, *Air Force Physical Fitness Program*, and perform a practice physical fitness assessment (PFA) with your recruiter to check your physical fitness readiness. Trainees are expected to arrive fit and ready to meet the Department of the Air Force fitness requirements. [DAFMAN 36-2905](https://www.e-publishing.af.mil/Product-Index/)

2.4.2. All OTs must be prepared to satisfactorily complete the PFA upon arrival to training. The OTS PFA consists of the sit-up, push-up, and 1.5 mile run tests detailed in DAFMAN 36-2905. OTS will not administer alternate test events. OTs may not attend OTS if they are unable to complete all components of the fitness assessment. OTS will not allow entrance to an individual already on a medical profile.

2.4.3. OTs are also expected to be fit enough to complete long distance runs (approximately 6 miles), ruck marches, obstacle courses, and challenging group physical fitness training.

2.4.4. Read Department of the Air Force Instruction (DAFI) 36-2903, *Dress and Personal Appearance of Air Force Personnel*: [DAFI 36-2903](https://www.e-publishing.af.mil/Product-Index/)

2.4.5. Read [AFI 1-1, *Air Force Standards*](https://www.e-publishing.af.mil/Product-Index/)

4. COMMON ISSUES

4.1.1. Prior to departure, Air National Guard OTs transferring to Active Duty must contact their home personnel section to be released in MilPDS. They will initiate this action by placing the OT in the following PASCODE ZB0JFQK9 with an SPD code KGM, effective one (1) day prior to arrival.

   **4.1.1.1. Failure to be released by home unit will lead to an inability to be properly gained. OTs who are not properly gained will not be paid until this action is completed.**

4.1.2. If the home personnel section has any issues completing these actions, they can contact Air Force Recruiting Services (AFRS) line officer accessions at (210) 565-0340. The personnel section at OTS does not have access to update Air National Guard or Air Force Reserve records.

4.1.3. To reiterate, OTs will not get paid while in training until the above action is completed.

4.2. Commonly Missed Items.

4.2.1. Verify your orders are correct prior to arrival.

4.2.2. Verify you have the correct fund cite via the Education & Training Course Announcements (ETCA) website (CAC-enabled). If you do not yet have a CAC, please provide the link to your home-station orders clerk or military personnel flight (MPF).

4.3. Student Pilots attending Military Flight Screening (MFS).

4.3.1. Active-Duty students who are scheduled for pilot training (92T0 & 92T3) need to attend MFS. This is an appointment that will determine your ability to fly for the military. While it sounds similar to a flight physical, it is functionally different and Active-Duty pilot candidates will attend this appointment after graduation.

4.3.2. MFS is conducted at Wright-Patterson AFB in Ohio and is not associated with OTS. The OTS Assignments team will work with the schedulers at MFS to get you into the earliest possible appointment after graduation, however, it is very common for OTS graduates to be temporarily assigned to OTS for an undetermined duration. Do not make departure plans after graduation until you have been notified of your MFS date by the OTS Assignments Team.
4.3.3. There can be delays while you attend MFS which can last days, weeks, or even months. The schedulers at MFS will work with the OTS Assignments Team to continue adjusting your orders to accommodate any unforeseen delays.

4.3.4. In the event you are medically disqualified from flying, you will be reassigned to Wright-Patterson AFB until you are reassigned to a different career field. That process normally takes months.

5. ARRIVAL ON CAMPUS

5.1. Arrival Process and Requirements.

5.1.1. Reporting Window: All travel arrangements should accommodate a report time no earlier than 0900 on the class start date. Specific reporting window will be emailed to the address you provided in WINGS NLT four (4) days prior to class start. OTs should make travel plans that allow arrival as early as 0900. Do not attempt to “tour” the OTS campus prior.

5.1.2. Where: OTS in-processing begins at location specified in Chalk Assignment message.

5.1.3. Attire: Collared shirt (tucked in and buttoned). Khaki pants or slacks (no jeans, leggings, skirts, or dresses) with belt. Athletic shoes with laces tucked in (no dress shoes, sandals, flats, or heels). Arrive with your hydration system assembled and filled with water.

5.1.4. Prohibited: Transition lenses or jewelry (exception: religious medallions and removable wedding rings).

5.1.4.1. Contacts are authorized, but recommend not wearing during field training events. OTs should bring an extra pair of eyeglasses for field events, enough eyeglass straps, and cleaning solutions for the duration of training.

5.1.4.2. Individuals requiring dark lenses due to eye surgery must provide a doctor’s note stipulating the conditions of this requirement and will need to report to the OTS Independent Duty Medical Technician (IDMT) staff upon in-processing for medical profile validation.

5.1.5. Arrive in compliance with grooming standards in accordance with (IAW) DAFI 36-2903. OTs will not be allowed to in-process with non-Air Force waived facial hair (AF Form 469); OTs shall be clean shaven i.e., no mustaches, no beards (exception: approved and documented religious accommodation). OTs will have limited access to barber services during the initial portion of training.

5.1.6. OTs should eat breakfast and ensure they are properly hydrated before arrival. Lunch and dinner will be available during in-processing.

5.1.7. OTS Dining Facility (DFAC) accepts credit and debit cards; however, OTs should have $100 cash (in bills less than $20) available in the event of technical issues.

5.1.8. For base access, arrive at Maxwell Blvd Gate or Maxwell AFB Visitor Center. Show your OTS orders and government ID at the gate. From the Visitor Center it is another 1.5 miles to the OTS main building at 501 LeMay Plaza N. Bldg. 1487, Maxwell AFB, AL 36112. NOTE: Base taxi number is (334) 953-5038.
5.1.9. Contact OTS regarding early/delayed reporting, missed/delayed flights, or other travel problems. Contact Student Services at 22TRSS.MS.StudentServices@us.af.mil or (334) 953-4740. If delayed, OTs will contact student services for reporting instructions.

5.1.10. Check with your unit/recruiter for lodging reimbursement. University Inn at Maxwell AFB, 450 LeMay Plaza, Montgomery, AL 36112, can be contacted via website link: http://af.dodlodging.net/property/Maxwell-AFB or commercial phone: (334) 953-3931/7544/1690.

5.1.11. OTS will notify you of any deviations to the arrival process and/or requirements via the email you provided in WINGS.

6. DEPARTMENT OF THE AIR FORCE STANDARDS

6.1.1. Hair Standards: OTs arriving at OTS must meet all required standards of grooming per Chapter 3 of the DAFI 36-2903. All OTs will arrive to OTS with clean shaved appearance (no mustaches, no beards except for documented and approved religious accommodation). Trainees not in DAF standards will be turned away until in compliance.

6.2. Physical Fitness Standards. All OTs must be prepared to satisfactorily complete the PFA upon arrival to training IAW DAFMAN 36-2032, Military Recruiting and Accessions.

6.2.1. The PFA consists of the sit-up, push-up, and 1.5 mile run tests IAW DAFMAN 36-2905.

6.2.2. OTS will not administer alternate test events. OTs may not attend OTS if they are unable to complete all components of the fitness assessment. Failure to pass the PFA will result in remedial action.

7. REQUIRED ITEMS

7.1. Uniforms and Required Packing Items. Bring Attachment 2, UNIFORMS AND PACKING LIST, to your recruiter for assistance. Attachment 2 identifies uniform and other items OTs require for academic and field training. OTs will make every attempt possible to obtain all required items on the packing list prior to arrival. OTs bring a printed copy of Attachment 2 with them on in-processing day.

7.1.1. OTs are responsible for following Air Force uniform regulations. OTs should purchase uniform items at Army and Air Force Exchange Services (AAFES) military clothing stores. Purchasing uniform items at non-AAFES suppliers increases the risk of not meeting DAFI 36-2903 requirements and is highly discouraged. Discuss with your recruiter the appropriate uniform wear.

7.1.1.1. OTs are not permitted to wear OCP ball caps.

7.1.1.2. OTs are not permitted to wear one-piece or two-piece flight suits.

7.1.2. Recruiters can provide sponsorship for non-prior OTs to purchase uniform items at the nearest AAFES military clothing stores prior to arrival at OTS (highly recommended).

7.1.3. Recommend arriving with sew-on or Velcro® backing for nametapes (USAF/USSF) and rank for OCP Coat/Patrol Cap. Commissioned OTs will wear either pinned, sewn, or Velcro® spice brown rank insignia centered ½ inch on front of cap and on OCP Coat.
7.1.4. If traveling via airplane, OTs are recommended to pack a 72-hour bag in case of lost luggage:

7.1.4.1. One (1) full set OCPs, (boots, socks, pants, belt, undershirt, blouse, and cap), one (1) set of Physical Training (PT) uniform (running shoes, socks, shorts, and shirt), underwear, socks, bra (women), computer, toiletries, and required documents (DO NOT pack in checked luggage).

7.1.5. Make every attempt to purchase items prior to arrival at OTS. However, all items can be purchased at Maxwell AFB through the AAFES Order Form (Attachment 4). Maxwell AFB services several other schools and programs therefore the desired size, amount, or style may be out of stock. OTs who decide to order uniform items via online must pick up or receive their uniforms before in-processing at OTS.

7.1.6. OTs are required to arrive with a black backpack, which meets DAFI 36-2903 requirements (recommend this is your 72-hour bag). This will be used to transport your laptop/equivalent device and course material while at OTS. Recommend waterproof case for electronics in the event of inclement weather. NOTE: Two-in-one hydration systems will not be allowed as they exceed the size requirements (reference Attachment 3: Uniforms and required items packing list NOTE 7).

7.2. Computer Requirements. Bring a laptop/equivalent device with keyboard. OTS curriculum and assignments are digital.

7.2.1. Wi-Fi is available for official use.

7.2.2. Suggested items: CAC reader (if you have been issued a CAC) and/or small printer for your dorm room. NOTE: Access to printers, ink, and paper are limited at OTS and multiple documents will require printing.

8. FINANCE PROCEDURES

8.1. Finances.

8.1.1. New to Air Force or switching components (ANG to AFR, AFR to Active, etc). Expect paycheck delays while at OTS due to creation of your finance account. This delay could be weeks or months depending on the accuracy of pre-arrival information loaded into the finance system. Plan appropriately for this delay. In some instances, OT pay records may not be established before graduation. It is highly recommended you prepare to have at least $2,000 accessible upon arrival to OTS. It is your responsibility to have a financial plan to support yourself and/or family while at OTS. 42 ABW Finance Staff will work with OTs experiencing financial hardships on a case-by-case basis.

8.1.2. Direct commission OTs. Direct commissioned OTs will have to pay for all their meals (DFAC, MREs, etc.). Money will be collected at various points on the schedule. Arrive with $100 in cash. An ATM is available at the OTS Shoppette, but the training schedule does not allow for regular access. NOTE: Be prepared to pay for MREs with cash.

8.1.3. Air National Guard and Air Force Reserve OTs: Both ANG and AFR OTs will need to work with their home unit to establish pay through their respective systems/sites. OTS has neither the capability nor authority to establish pay for both ANG and AFR. All issues will be rerouted back to each OTs respective home unit.
8.1.4. Line OTs will be paid as a SSgt (E-5) (or highest previous rank) and direct commission (non-line) OTs will be paid according to their TRQI/AFSC.

8.1.4.1. Base pay: https://www.dfas.mil/militarymembers/payentitlements/Pay-Tables.html

8.1.4.2. Basic Allowance for Housing (BAH): Non-prior service OTs with dependents will receive the dependent rate BAH and OTs without dependents will receive the partial-rate BAH: http://www.defensetravel.dod.mil/site/bahCalc.cfm

9.1. **What to Expect.**

9.1.1. Alcohol, pornographic material, tobacco, misconduct, and pets are not permitted on the OTS campus or at Vigilant Warrior.

9.1.2. OTS has a zero-tolerance policy on sexual harassment, discrimination, and unprofessional relationships. All OTs will be expected to conduct themselves professionally and treat each other and staff with the utmost respect.

9.1.3. Firearms, ammunition, other weapons (i.e., knives), and/or multi-tools are not authorized at OTS. Also, firearms and/or ammunition may not be stored in personally owned vehicles (POV) on Maxwell AFB. The 42d Security Forces Squadron is unable to store weapons or firearms for OTs. **Answer:** The OTS campus and Maxwell AFB does not house any charging stations for use for electric vehicles. It is recommended that trainees with fully electric vehicles find alternate care for their vehicles. At a minimum and if unavoidable, vehicles should be fully charged to reduce the likelihood of having any issues.

**NOTE 1:** OTs will not mix and match the physical training gear (PTG) running suit and sweats uniforms. PTG is the only authorized sleeping attire.

**NOTE 2:** It is highly recommended that OTs purchase a hydration system, with a small document pouch, within following specifications: All black in color (all components…to include drinking tube cap), small conservative logo, no ornamentation, designs or high gloss material per DAFI 36-2903, shoulder straps with quick release chest strap, hold a minimum of 1.5 liters (50 ounces) of water. Cannot exceed the following dimensions: 18 inches length, 12 inches width, and 5 inches depth. Appropriate models include the Camelbak®, Hydrobak 50oz 1.5L Mil Tac Antidote (Black), Camelbak® Thermobak 100oz 3L Mil-Spec Crux Hydration Pack (Black), or equivalent.

**NOTE 3:** Eye protection is available for trainee use at OTS campus, however condition and sanitation requirements cannot be guaranteed. Individuals electing to purchase eye protect must have fully enclosed sides to prevent debris or training aids from damaging eyes from a lateral angle. ANSI z87 is not required. Individuals required to wear prescription glasses are encouraged to purchase over-glasses that will allow the trainee to keep prescription lenses in use. Tactile gloves.

**NOTE 4:** Towels should be no wider than 24 inches wide by 44 inches long.

**NOTE 5:** It is recommended trainees bring their own personal All-Purpose Environmental Clothing System (APECS)/Improved Rain Suit (IRS). See DAFI 36-2903.
