# FINANCE & TRAVEL INFO

- **SOS does NOT handle DTS fund cites, per diem, or orders**
  - Questions should be directed to your unit DTS POC, ODTA/FDTA
    - If you are coming TDY, then you will create your orders on DTS
    - If you are coming TDY-en-Route, your MPF will have SOS listed on your PCS orders
- **SOS does not have a role in the RIP and LOA process**
  - Typical Processing:
    - Your FSS/Formal Training receives your RIP and sends it you for review and signature.
      - If you do not receive a RIP, contact your Formal Training.
      - If your FSS/Formal Training cannot find your RIP, have them contact your MAJCOM/A1 TRQIs to verify your TLN.
    - After your RIP is signed, return to your FSS/Formal Training for processing. They need to add your information into the AETC TDY-To-School (TTS) system to generate the fund cite and cross org you.
    - After your RIP has been processed by your Formal Training section, AETC TDY-To-School (TTS) will send an email with the LOA.

# FINANCE & TRAVEL INFO

- **If you didn't receive the TDY-to-School email or cross org LOA**
  - All TDY-to-School (TTS) requests must be submitted through the TTS website or Student Travel Portal (STP). TTS will no longer answer any requests sent outside of these systems.
  - Requests will be answered within three business days. Please allow the three business days to expire before following up.
  - To enhance and increase service to customers, AETC/FM has developed the STP to assist customers with questions pertaining to their travel. The STP will allow customers utilizing TTS funds for training to submit their questions and receive online support from the AETC/FM TTS team. The system will track and provide the customer with automated updates on inquiries from submission to resolution.
    - **\*Note: only FSS (Training Managers) should submit requests to the TDY-to-School website**

# UBER SERVICES ON BASE

Maxwell Air Force Base reached an agreement with the ride-share service, Uber, to operate on base at Maxwell Air Force Base and at Gunter Annex. Anyone with access to either installation now has the option to use the ride-hailing app to request a ride, and drivers who have already passed rigorous security vetting for base access will be able to answer the call.

## Frequently Asked Questions:

**Q: Who is eligible to use Uber ride-sharing services at Maxwell Air Force Base?**

A: Anyone who is authorized to be on base at Maxwell and Gunter is eligible to use Uber ride-sharing services at Maxwell Air Force Base.

**Q: How do Uber drivers get authorized to access the base?**

A: Uber drivers must be pre-vetted at the Visitor Control Center operated by the 42nd Security Forces Squadron and issued a Defense Biometric Identification System (DBIDS) credential to access the base for the sole purpose of picking up or dropping off members who are authorized to be on Maxwell and Gunter.

**Q: What is the process for selecting an Uber driver authorized to access the base?**

A: Once a DOD member requests transportation to or from the installation, only DBIDS-credentialed Uber drivers will receive the call for service based on Uber's geo-tracking capabilities.

**Q: Can I use the Trusted Traveler Program to access the base with an Uber driver?**

A: No, the Trusted Traveler Program is not authorized for use with the Uber ride-share program.

**Q: What are the requirements for passengers in an Uber vehicle to access the base?**

A: All passengers in the vehicle must be in possession of a valid DOD credential to access the installation.

**Q: Will the number of authorized Uber drivers increase over time?**

A: The future expansion of this service will depend in large part on the amount of usage the program receives.

**Q: Are there any limitations to using Uber ride-sharing services at Maxwell Air Force Base?**

A: Yes, the number of Uber drivers with DBIDS access credentials may be limited in the early stages of program implementation, but this is expected to grow over time. However, the growth of the program will depend on how many personnel take advantage of it.

**Q: I'm a dependent can I use the service to access the base?**

A: Yes, dependents can use Uber for rides to and from the base. All personnel who are authorized to be on base can solicit rides using the Uber app.

**Q: Are there any other taxi companies in Montgomery with base access?**

A: Yes, we have 4 different taxi companies that have base access: Checker Deluxe Cab, King's Airport Shuttle, On Time Taxi, and Triple A Taxi.

# OKTA (CANVAS) AND MICROSOFT TEAMS

Attached in this Reporting Guide are the OKTA and TEAMS sign-in instructions.

## OKTA

- OKTA is required to use the SOS curriculum located on CANVAS. You will use your CAC to log into OKTA (which is the preferred and easiest method), but there are other set-up options as well.
- You can accomplish the steps to set up your account now, but until student accounts are loaded into the SOS course, **YOU WILL NOT BE ABLE TO LOG IN**. Most likely, the student accounts will be loaded into the course during the Friday or weekend before Day 1. You may attempt to log in during that time.
- When you have been added to the Canvas course, you will receive an email. You have **7 DAYS** to click the link to log in before your access will be rescinded. **Log in ASAP!**

## Microsoft TEAMS

- We prep your information to send to AU/A6 **after the class roster locks**.
- When AU/A6 returns your generated usernames and passwords, you will then receive an email for your Microsoft TEAMS account with your .edu username and with your password. Until you receive this email, **YOU WILL NOT BE ABLE TO LOG IN**.

**NOTE 1:** It is easier to download the TEAMS app (New version) and set up your account rather than through the Office browser.

**NOTE 2:** **DO NOT** set up the account to verify with the Microsoft Authenticator App. It does not work with our .edu TEAMS and Wi-Fi. **Choose your personal phone that you will be bringing with you as the authentication method!**

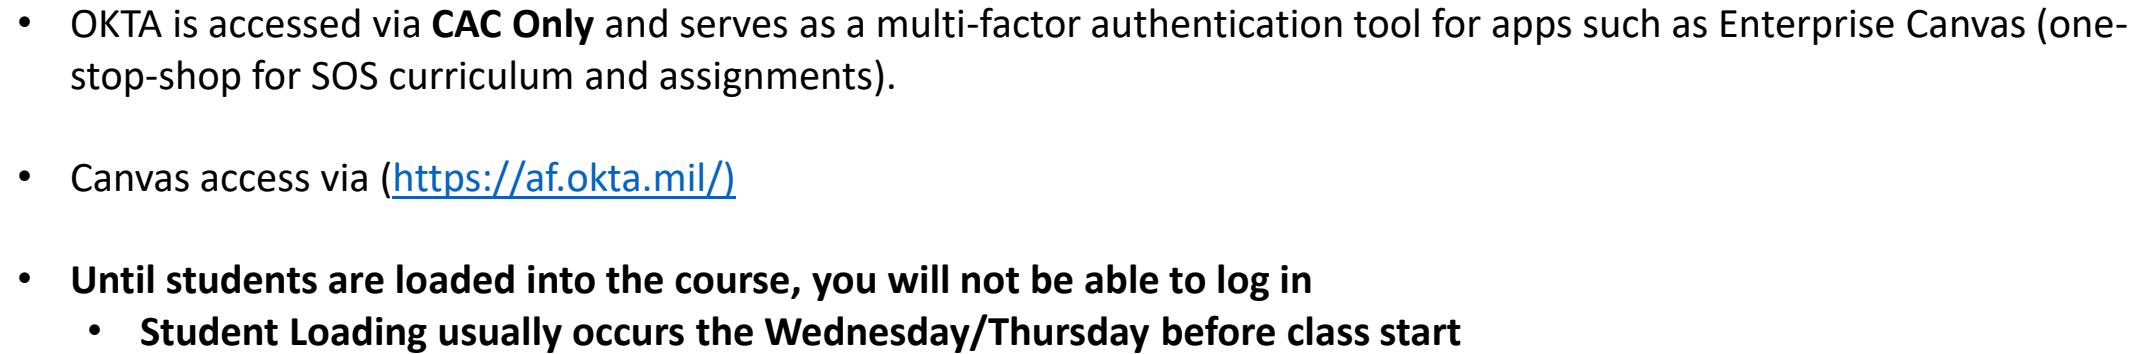

**There will be in-person help available during Week 1 of class to help resolve any OKTA or Microsoft Teams account issues.**

# Setting up OKTA

**\*\*You do not use your .edu Microsoft TEAMS account info for logging into OKTA!\*\***

- Once logged into OKTA, you will see this:
- This is the only route to access Canvas

# OKTA Access

- For any issues, first accomplish the directions in the “Opening the Web Application CANVAS\_ACCESS\_GUIDE 2”
- If issues persist:
  - If you are experiencing Canvas display issues on your personal device (i.e. images, banners, icons, etc. won't display), download DoD certs utilizing the AU instructions: <https://www.airuniversity.af.edu/GCPME/Certificates/>
  - For log-in issues, password reset, activation link expired, etc., contact
    - **A1 OKTA support** at 1-800-525-0102 (options: 6, 1, 2)
- There will be in-person help on Day 1
- **Alternate OKTA set-Up**
- Login to MyFSS
- Select Non-CAC login (first time registration)
- Follow instructions and use an email address you can access *today*
- Login via <https://access.afpc.af.mil/ims>
