Eligibility Requirements

You must have a current and passing PT test with no exemptions that lasts through SOS graduation. If you have an exemption in any of these components on your current PT test, you must either retest with no exemptions or have an approved ETP* before attending SOS. This is true even if the profile which led to the exemption has expired. Additionally, if you are on a medical profile, even if it will expire during the class, you cannot attend SOS without an approved ETP. (*ETP not required for exemptions due to pregnancy or 12-month post-partum deferment.)
