WELCOME TO SOS, CLASS 23A!

You have been registered to participate in the SOS In-Residence course 23A from 14 Nov – 16 Dec.

*If you find this message to be an error, please contact your unit training manager to be removed from the course immediately.

This letter will outline your expectations and what you need to know to successfully complete the IR course. Please read the welcome letter in its entirety for detailed instructions. Attached at the end of this document is the SOS 23A Reporting Guide.

You are expected to complete between 120 -130 hours of instruction which includes self-paced readings and homework assignments, electives, and guest speakers.

1. In order to complete class assignments and participate in class discussions you will need:
   i. Internet access (provided by on-base lodging and SOS bldg.)
   ii. A laptop or computer with a webcam or video enabled device with a camera and microphone (a personal device is preferable). AFNET is not required for any of SOS’s coursework.
   *Smartphones and tablets are optional tools and can access our learning platform, but highly encourage the use of a laptop or computer.
   iii. Access to the following apps (recommend they be downloaded to your device)
       a. Microsoft Teams
       b. Google Calendar

2. All lesson modules and assignments are located on AU Canvas (https://a1.okta.com/app/UserHome). You will receive an OKTA account activation email a week before the course start date. OKTA serves as a multi-factor authentication tool that houses Canvas.

3. Education Day 1
   i. Your first event of the day will be in Bldg 1403 in your flight room.
   ii. UOD:
       a. (Military): OCPs/ FDUs
       b. (Civilian): Professional and Casual business attire
   iii. Proof of COVID vaccination
   iv. Reserves: Bring 2x copies of your orders

4. Your Flight Commander will be contacting you in some form NLT 10 November. Please check your .mil email as this is likely the only initial contact information your Flight Commander has for you. If you do not receive an initial contact from your instructor by COB 10 November, please email Student Services at sos.od.studentservices@us.af.mil.

5. If you are having issues with login credentials, OKTA or Canvas access, please reach out to Canvas Support at sos.od.studentservices@us.af.mil. Please provide your name, email address, and explain the issue you are having in your email. Canvas/OKTA help questions are common and come in high volume during the start of a new class. Please be patient as our team works diligently through them to assist you.
6. If you have any issues with the Maxwell AFB University Inn, please inform your Flight Commander and talk to the front desk. Report the issue to the front desk by dialing 0 and ask for a reference number for your situation. There is a policy where the staff will need to come change your sheets at least once every 3 days, regardless of a Do Not Disturb sign. Any changes to that will need to be coordinated with the hotel staff.

7. COVID-19 guidelines: Please adhere to local base and area policies. Maxwell AFB is currently in HPCON Alpha, and there is not currently a mask mandate. If you have received a medical/religious exemption to the COVID vaccine, you will be required to be tested for COVID weekly and if stationed outside Maxwell/Gunter you will need an Under Secretary of the Air Force waiver authorizing non-mission critical travel to attend SOS. If you have any further questions about local guidelines, consult your Flight Commander or reach out to Student Services. You may also consult the MAFB website https://www.maxwell.af.mil/.

8. Student Status: While enrolled in SOS have your home unit change your duty status from “Present for duty” to “Student”.

If you have further question, please visit our website at https://www.airuniversity.af.edu/SOS or contact SOS student services.

   Email sos.od.studentservices@us.af.mil - DSN 493-3231 - COMM (334) 953-3231

Follow us on social media for additional messages as your class date approaches.

LinkedIn: https://www.linkedin.com/company/squadron-officer-school/
Twitter: https://twitter.com/SOSUSAFAF
Program Description:
The Squadron Officer School (SOS) resident program is a PME course targeting four-to-seven-year Air Force captains, select Department of the Air Force civilians of equivalent grade, and international officers. The post-baccalaureate PDE curriculum covers three core learning areas—leadership, strategic design, and joint warfare. Throughout SOS, students team build and apply theories, principles, and practices from the core learning areas through experiential exercises, written assignments, briefings, and personal and collaborative reflection culminating in a capstone event for each core learning area.

Leader Prep:
Students will accomplish the readings and other preparation requirements ahead of the associated lesson. Check Canvas daily for required readings, activities, and videos. Please be prepared each day with a laptop/personal device with video and audio ON for each virtual lesson.
United States Space Force at Squadron Officer School

Space Gray Rhinos Core – All Guardians

All Guardians enrolled in SOS will take part in the core Space Gray Rhinos program (SGR). Given the standup of the United States Space Force (USSF), Squadron Officer School (SOS) has created the Space Gray Rhinos track for USSF officers. SOS is a great place for space officers to learn, think, and theorize about challenges in space, and currently serves as the first step to an independent Space Force Captain’s Career Course. As SGR is a developmental program, our lessons seek to provide space relevant content within the SOS curriculum with a focus on law, theory, doctrine and strategy. Additionally, we seek to develop our Guardians with lessons to address the “whole person”, addressing such things as Sleep Deprivation. Lastly, Guardians will complete a Guardian specific capstone event which has the students focus on a Space Force specific problem.

All Guardians (and total force Airmen supporting space operations) will take these USSF provided lessons in lieu of air-focused curriculum and electives:

- Spacepower Theory
- Space Policy and Strategy
- Space Doctrine
- Space Law
- Principles of Mission Command
- Sleep Deprivation

Guardian Capstone – All Guardians and selected Air Force personnel

The Guardian Capstone is a pseudo “choose your own adventure” capstone where SGR faculty and students are given the chance to address significant problems that they may see in the US Space Force and/or develop an understanding of the international relationships necessary to shape and solve problems in the space domain. Per an MOA between STARCOM and Air University, all Guardians MUST complete a capstone event addressing a space domain related issue, the role of space in Joint All Domain Operations, or other space related project. For this class, we will offer two pathways to accomplish this task: Project Nova and Project Ikarus.

Project Nova – Problem Solving Option

As part of the Space Gray Rhinos program, Guardians (officer, space civilians, all functional areas) and Airman will have the opportunity to apply to work with a small team and mentor where they recognize and seek out to strategically counter looming threats in line with the CSO Planning guidance focus areas. Everyone who is selected will have the opportunity and gain experience of presenting their ideas to Space Force senior leaders and will receive an additional bullet on their training report annotating that they worked on a strategic issue in support of our service. Project Nova is a learning atmosphere where the SOS Guardian Staff and an O-6 panel serve as coaches through vector checks for their excellent intellectual efforts concerning our space domain.
Project Ikarus – International Space Debris Game

Since space is a global, and soon to be inter-solar-system domain, the United States has to work with other nations to ensure space remains a free and open commons for commerce and exploration. Project Ikarus seeks to place the students in the role of a nation, non-governmental organization, or commercial entity and have these entities play a mock UN game where each entity roleplays in an attempt to accomplish their objective and deny the adversary’s objectives. Students will take on the role of negotiator or ambassador and will research their entity’s strategy and policies for handling space debris, and will draft a short paper explaining what they learned. Note: This elective is experimental and may be substituted with independent research or analysis of different problems based on the availability of Schriever Scholars faculty to support the event.

More information will be given at the welcome meeting for the Space Gray Rhinos on Day 2.

Semper Supra!
Squadron Officer School Electives

As an SOS student you will participate in one of three types of electives during the five-week course.
- Air University Advance Research (AUAR) elective
- Think Tank
- Project Nova / Ikarus
- Blocked/ Series electives

**SOS Electives**
SOS electives are sessions taught by SOS faculty on a variety of subject. Upon the start of SOS, students will have the opportunity to select from a list of electives they would like to participate in during the five-week course.

**Project Nova**
As mentioned above, this project is competitively selected for Guardians (officer, space civilians, all functional areas) and Airman.

**Think Tank**
Think Tank is an opportunity for a select group of students to tackle a major issue and present creative solutions to current and active stakeholders. It is physically, mentally, and emotionally challenging and students are expected to work well beyond the SOS curriculum. Students present the fruit of that labor, live, to AF/USSF decision makers. Team members receive intensive coaching on design principles adapted from the best practices in industry, academia, and militaries from across the world. You will learn and practice strategic thinking skills that are directly applicable and highly valuable to leaders of all levels. Join us for our open house on ED1 to learn more! On Welcome Day is when students will receive the 23A topic.

**Air University Advance Research (AUAR)**
The Air University (AU) Advanced Research Elective is an opportunity for a selective group of students to conduct independent research on topics of strategic concern. This is a five-week elective requiring approximately 20-40 hours beyond SOS curriculum. Selected students are assigned mentor(s) who guide research efforts and define deliverables. Student researchers receive a bullet on their AF 475 Training Report. Student benefits include advanced study on exciting topics, networking with communities of interest throughout the research experience, and opportunity to shape the Air Force's and Space Force's future.

**Current AUAR Topics**
**Air Force Podcast Team**
Students will design an Air Force Podcast Series and the development of its pilot episode in collaboration with the LeMay Center for Doctrine Development and Education. Students will have the opportunity to share and apply their passion, experience, questions, and voice. Join the team to give Airmen a voice and have real conversations with senior leaders and experts on critical topics.

**Air Force IT User Experience (UX) Optimization**
Ready to make an immediate impact on Air Force IT? In coordination with the Chief Experience Officer (CXO) of the United States Air Force, students will have the opportunity to dive into a practical project of improving commonly used Air Force systems/applications. Students will solicit feedback and ideas from a user experience (UX) and functional perspective on what optimizations can be incorporated into improving usability. This applied research topic challenges students to design/develop or recommend enhancements to the CXO with
guidance from Subject Matter Experts (SME) at Cyberworx and Kessel Run. Previous system design/coding experience not required.

**Air University Agile Combat Employment (ACE)**

AUuX Connects students, faculty, and staff with partners in DoD, academia, and industry, identifying opportunities for teaching, research, and engagement towards developing new capabilities, strategies & technologies to increase military effectiveness.

**Barrier Analysis Working Group Collaborative:**

In coordination with the Department of the Air Force’s Barrier Analysis Working Group (DAFBAWG), Air Command and Staff College, and Air War College, students will leverage their experiences and expertise to help drive positive change across the Air Force through research aligned with current Lines of Effort provided by the BAWG Teams. Students will have access to subject matter experts and mentors from across AU and from the BAWG Teams: Women's Initiative Team (WIT), Black/African American Employment Strategy Team (BEST), Pacific Islander and Asian American Community Team (PACT), Hispanic Employment Analysis Team (HEAT), LGBQT Initiative Team (LIT), Disability Team (DT), and Senior Leader Advancement Team (SLAT).

Students may work individually or in teams. Students have the option to bring their own topic or work on a current Line of Effort within a BAWG. Potential topic areas include, but are not limited to, the following:

- Specialized healthcare programs (WIT/LIT)
- Facial Hair Policy Changes (HEAT/BEST)
- Racial Injustice (ALL perspectives requested)
- Overcome Language Barriers (HEAT)
- Retention In Career Fields/Demographics (HEAT/BEST/WIT)
- LGBTQ Medical Policies, Procedures and Practices (LIT)
- Family Matters (LIT/WIT)

**ISR Considerations for US National Security**

In coordination with the ISR Chair at the LeMay Center for Doctrine, and the Air War College/Air Command and Staff College ISR Research Task Force, students will apply experience and critical thinking skills to research specific problems submitted by senior leaders and subject matter experts across the USAF ISR enterprise. Advisors will be made available to guide student efforts. For this iteration of the program, students will submit findings focused on China or Russia as a strategic competitor. If there are other topics of interest that students desire to focus on, these will be approved by the Next Gen ISR facilitators. Efforts will be scoped to a specific operational-level problem and the resulting strategic implications (for example, China's aggressive posturing for a takeover of Taiwan or a Russian incursion of a Baltic nation).

**Future Ideas & Weapons**

In coordination with the Air Force Research Laboratory (AFRL) and the LeMay Center, Future Ideas & Weapons capitalizes airpower as the combined product of hardware, ideas, and organizations, rather than as an expression of the latest technologies; to include Directed Energy (DE), the Radio Frequency (RF) Spectrum, lasers and more. Such technologies are required and must be better understood to fully employ and operate into the 21st century as they will be contested & degraded in the Strategic Competition era.

SOS students will develop a comprehensive understanding of these technologies in the field of study with the publication of their research paper. Students will also have the opportunity to present their work and issues, explain their significance, and address their solutions to AFRL and AFWIC senior leadership.
Social Media:
Social Media seeks passionate storytellers to develop a social media strategy for the organization, preparing them to be the champions of their units upon their return. Students will work as a team to generate content that highlights their student experience, while also examining resources and constraints unique to a military organization. In short, AUAR-SM is a no-fail strategic communication mission that just happens to be a ton of fun. The end of course product will be the SOS grad video.
Frequently Asked Questions (FAQs):

Do we need to bring blues/service dress?
-No, blues/service dress are not required for SOS.

What does the average day look like at SOS?
-Typically, 0800-1600 with some variation depending on the events of the day. You are usually afforded an hour for lunch.

I’m overseas and I’m arriving Saturday night, will my room be available?
-Yes, please call the University Inn prior to your arrival so they can adjust your reservation. Contact your Flight Commander if there are any issues.

What are the COVID protocols while at SOS?
-Please visit the Maxwell Air Force Base Website COVID-19 Information & Updates for the latest information (https://www.maxwell.af.mil/RESOURCES/Coronavirus/).

Is it required to have received the COVID booster vaccines to attend SOS?
- It is recommended to receive the COVID booster vaccines, but it is NOT required.

Are there gym/workout area restrictions?
-The 42 FSS Fitness facilities are currently open. Please visit https://www.lifeatthemax.us/maxwell-fitness-center-annex for the latest information regarding their hours of operation and visiting requirements.

Do we PT on our own time or do we do it with our flight/squadron?
-PT is not built into the daily schedule. You will coordinate with your flight and Flight Commander to find time in the day for your fitness requirements.

Will we have holidays off?
-Yes, SOS observes all Federal holidays and AETC family days.

Are there facilities for laundry in lodging and how much do they cost?
-Yes, there is a laundry room in each of the buildings in lodging. The machines are free, but you need to bring/purchase your own detergent and dryer sheets.

What will the flights look like?
-Flights typically consist of 14 students from various AFSCs, Civilians, ANG and AFRC.

What type of payments does the DFAC take? Can Civilians use the DFAC?
-The Riverfront Inn dining facility takes both cash and card. Civilians who are TDY (with orders) are authorized to use the dining facility.

How much of the course is dedicated to USSF curriculum for USSF personnel?
-There are 4 space specific lessons that are given during the course. You will receive more instructions regarding USSF lessons once you arrive.

Are we allowed to travel on the weekends? How far can we travel?
-Yes, you are allowed to travel on the weekends. You will need to get all travel plans approved through your Flight Commander/Squadron Commander. Each squadron will go over their travel policy and weekend locator requirements.
I’m flying in and my unit won’t issue me a rental car. Will I be able to walk to get where I need to go? -University Inn is across the street from the SOS building, the Maxwell Fitness Center is also nearby, and the DFAC is about a third of a mile walk. The BX and commissary are about a 1-mile walk.

I’m working DTS, but I have not received my LOA, can you help me? -SOS does not handle the LOAs, that is an AETC TDY-to-School function. They can be contacted DSN 487-2971/COMM 210-652-2971 or tdy.school@us.af.mil. They should cross-org you the LOA a few days after you have signed and returned your RIP.

Do we book lodging through DTS? -SOS reserves the lodging for students so you do not need to book it through DTS. Any Non-Availability letter or notification of no lodging available received through DTS should be ignored.

How do we get from the airport to Maxwell? -SOS does not offer transportation services. There are several Taxi companies that can get on base. Some Uber/Lyft can also get on base, but you would have to make sure the driver has access.
Welcome To SOS Class 23A!

SOS Reporting Guide
See our website for more details:
https://www.airuniversity.af.edu/SOS/
Welcome to the SOS In-Residence course!

During your stay here at Maxwell, you will experience the "LEAD to Prevail" curriculum with a flight of your peers.

You will conduct deep introspection, identify your strengths and weaknesses, and chart a course to improve. You will engage with each other on concepts of leadership and examples from across the Air and Space Forces. You will apply leadership competencies to solve complex, human-centered problems. You will apply lessons learned and incorporate diverse perspectives to address a range of complicated and complex challenges using multidisciplinary design approaches. You will also learn airpower doctrine, international relations theory, instruments of national power and joint all-domain operations, and practice applying your knowledge of leadership and complex problem solving to the business of Air and Space Power.

This guide along with the SOS 23A Welcome Letter will provide you with everything you need to know to be successful during this PME course.

COVID-19 guidelines: Please adhere to local base and area policies. Maxwell AFB is currently in HPCON Alpha, and there is not currently a mask mandate. If you have received a medical/religious exemption to the COVID vaccine, you will be required to be tested for COVID weekly and if stationed outside Maxwell/Gunter you will need an Under Secretary of the Air Force waiver authorizing non-mission critical travel to attend SOS. If you have any further questions about local guidelines, consult your Flight Commander or reach out to Student Services. You may also consult the MAFB website https://www.maxwell.af.mil/.

For additional information feel free to contact SOS student services
Email sos.od.studentservices@us.af.mil - DSN 493-3231 - COMM (334) 953-3231
Eligibility Requirements

Read below and ensure eligibility! Ineligible students will be sent home at parent unit's expense.

• Students are not allowed to go overdue on their PT Test while attending SOS. If you are going to be due during SOS, you will need to take the test prior to attending. You cannot take a PT test at SOS. STUDENTS MUST HAVE A CURRENT AND PASSING PT TEST TO ATTEND SOS.

• If you are need of an Exception to Policy (ETP), you will need to submit an ETP memo NLT COB 27 October. Please go to the reference website link for more information
  • If you are on a duty limiting medical profile, you will need to submit an ETP
  • Reference https://www.airuniversity.af.edu/SOS/Display-Article/Article/1043031/eligibility-requirements/

• If you are on a pregnancy waiver or post-partum waiver, you will need to reach out to student services with your AF Form 469

• Students are expected to participate in all physical activities throughout the course

Enhance Air- & Space-minded Leaders

Primed to prevail in competitive environments
Finance & Travel Info

Enhance Air- & Space-minded Leaders

- **SOS does NOT handle DTS fund cites, per diem or orders**
- Questions should be directed to your unit DTS POC, ODTA/FDTA
- If you didn’t receive the TDY-to-School email or cross org LOA please contact AETC TDY-to-School at DSN 487-2971/COMM 210-652-2971 or tdy.school@us.af.mil
  - If you are coming TDY then you will create your orders on DTS
  - If you are coming TDY-en-Route your MPF will have SOS listed on your PCS orders

- **SOS does NOT provide transportation from the airport**

- **Government Charge Card (GTCC)**
  - Before you leave for SOS verify your GTCC is not expired and ready to accept charges
  - GTCC limit must be high enough to cover transportation, lodging, and meals

- CONUS: you are authorized 1 travel day
- OCONUS: you are authorized 2 travel days
- Ex: If the course is 14 Nov – 16 Dec, then 13 Nov is travel/In-processing and the 14th is the 1st day of class

- **Graduation Planning:** Under **NO** circumstances will graduating SOS students make return air travel arrangements out of Montgomery on flights that depart **before 1400 hours (2:00 PM)** on their Graduation Date. **Early departures** that require students to **miss graduation** must be requested from the student’s home station Wing Commander.

Base facilities & amenities:

If you have lodging questions…
Call Maxwell Lodging:
334-953-3931 (comm)
493-3931 (DSN)
Lodging

Do not book Lodging through DTS!

- Single lodging rooms are **automatically** reserved for students
  - Shared buildings and floors w/ flight (usually)
  - Room keys assigned at lodging Bldg. #682 (across from the flight line)
  - All rooms have refrigerators & microwaves, some have kitchenettes
  - Children & pets are **NOT** allowed in SOS lodging rooms
  - Joined Spouses attending at the same time, please contact student services

- **Non-A slips** **NOT** received through or in coordination with SOS will not be honored
  - Ignore anything generated through DTS or system generated email

- All Students are **required** to stay in on-base Lodging. You must receive pre-approval from SOS to stay off-base. Email sos.od.studentservices@us.af.mil to request approval.
  - Staying off-base is reserved for those students who choose to bring their families.
  - Requests should be sent in **NLT 14 days** prior to class start.
  - You will then be required to book your own lodging off-base. You will be reimbursed up to the Maxwell University Inn lodging rate.
- Local students are **NOT** required/authorized base lodging or per diem
DTS cont.

- Fund site & Travel Orders
  - POC for these issues are your UTM & MAJCOM/A1
  - You won’t be cross-org’d until you return your signed training RIP
  - LOA comes from AETC TDY-to-School

- SOS does not provide Rental cars
  - If you desire a rental car, it will be at your parent unit’s expense
A Proportional Meal rate is authorized. Please follow instruction below.

On DTS, under Per Diem, **Click** the three dots next to M&IE Allowed

<table>
<thead>
<tr>
<th>LODGING COST</th>
<th>LODGING ALLOWED</th>
<th>M&amp;IE ALLOWED</th>
</tr>
</thead>
<tbody>
<tr>
<td>$98.00</td>
<td>$98.00</td>
<td>$44.25</td>
</tr>
<tr>
<td>$98.00</td>
<td>$98.00</td>
<td>$59.00</td>
</tr>
<tr>
<td>$0.00</td>
<td>$0.00</td>
<td>$44.25</td>
</tr>
</tbody>
</table>

Select Meals available at TDY location (Breakfast and Dinner)
Scroll down to Duty Conditions and select Quarters Available

Save adjustments and M&IE should be adjusted to $40

You will need to adjust the lodging rate to $89 a night.
Dress & Appearance – Military

- AFI 36-2903: Dress & Appearance of AF Personnel for guidance on uniform wear

- Daily uniform wear will be OCPs/FDUs – to include Day 1

- Home station rules don’t apply while TDY
  - We understand there are unique operational requirements & waivers for uniform items
  - AFI 36-2903 is the ultimate authority on Maxwell
  - Questions? See your Flight Commander on Day 1

- You will need to have the following Uniform Items:
  - OCPs
  - FDUs (optional for authorized personnel)
  - PTUs (any variant)
    - Additionally, it is also recommended to bring civilian athletic gear for personal PT

- Morale Wear days:
  - Khakis or Jeans (no holes/rips)
  - Closed toe-shoes
  - No shorts/athletic wear

- Service Dress/Blues are NOT required
Dress & Appearance – DoD Civilians
- Applies ONLY during officially scheduled activities

Enhance Air- & Space-minded Leaders

- **Business Professional and Casual attire is required**
  - NO jeans or T-shirts (during duty day)
- **Athletic gear is required**
  - Bring conservative athletic gear
    - **Solid colors** DARK/NAVY BLUE or BLACK athletic shorts/pants — Small logos OK
    - Athletic tights are authorized but cannot be worn without shorts/pants
    - No sleeveless shirts or tank tops
- Additionally, it is recommended to pack additional clothes for personal wear for after duty hours
- If you have old OCPs you can bring them for Project X

Civilian attire equivalent to AF uniform

- Operational Camouflage Pattern Uniform (OCP)
- Fitness Uniform (PTUs)

Primed to prevail in competitive environments
Recommended Additional Items

Enhance Air- & Space-minded Leaders

- **Old OCPs/2-piece FDUs & Boots/Shoes (for Project X)**
  - MUST be in *reasonably* good service
  - Black or desert boots are authorized
  - A pair of working gloves for obstacles

- **GOOD pair of running shoes**
  - Expect multiple running events, sporting events & personal PT time, culminating in an approximately 5.6-mile event
  - Students will run on paved surfaces and gravel roads
  - Recommend 2 pairs of running shoes

- **Pair of rubber/plastic cleats for Field Leadership Exercise**

- **Weather-appropriate attire as needed**

- **Medical Personnel** – If you need to access the MEDCOI network while you are here, you will need to bring your own MEDCOI laptop

*Primed to prevail in competitive environments*
Education Day (ED) 1

- **Where:** Bldg 1403 – Polifka
- **When:** 0800 CST
- **Attire:**
  - Military – OCP/FDU
  - Civilians – Business casual
- **Bring:**
  - Bring your laptop or personal device.
  - Proof of Covid Vaccination
  - AFRC: Copy of orders
- **Missed/delayed flights or other travel problems contact**
  - Your assigned Flight Commander
  - Duty hours – Student Services (334) 953-3231
  - After 1700 – Ops Director (334) 552-6408
OKTA setup

- Tuesday or Wednesday of the week before class starts, you will receive an email requesting you activate your Okta account.
  - Sometimes this goes to your Spam/Junk folder
  - Open and follow the instructions – your username is included in the email
    - This link expires after 7 days and will need to be reset if not activated
  - You will be prompted to create a password and select a security image
    - REMEMBER THESE – need to login everyday at SOS

- Example of the email
• Okta (https://a1.okta.com/) is accessed via username/password (CAC option doesn’t work) and serves as a multi-Factor authentication tool to house and access other apps such as Enterprise Canvas (one-stop-shop for SOS curriculum and assignments).

• Once logged into OKTA, you will see this:

• This is the only route to access Canvas

• If you are experiencing Canvas display issues on your personal device (i.e. images, banners, icons, etc. won’t display). Download DoD certs utilizing the AU instructions: https://www.airuniversity.af.edu/GCPME/Certificates/

• If you are having login issues, password reset, activation link expired, etc contact SOS-canvas-help@au.af.edu
Training Reports (AF Form 475)

- Training Report/475 purpose: Used to document performance while at SOS.

- Who receives one? All graduating students & students disenrolled with prejudice.

- Timeline: Per AFI 36-2406 para 6.4.1.2., SOS has 60 days to execute their portion of the 475 processing.

- Valid reason for requesting an expedited report: Records are due to a convening board within 90 days after graduation

- The following are not reasons for an Expedited Report:
  - Upcoming OPR
    - Per AFI 36-2406 para 3.16.4.6., Developmental Education (DE) accomplishments are annotated on the 475; not OPRs (don’t double tap)
      — NOTE: both 475s and OPRs are made available to promotion board members
  - Upcoming Award Package
    - When applicable, students are made aware of their significant achievements prior to leaving SOS

- Processing:
  - Active Duty: SOS > AFPC > ARMS Office > Uploads 475’s to Automated Records Management System which pushes to PRDA
  - Guard/Reserves: SOS > Uploads to MyPers
  - Civilian: SOS > Civilian Developmental Education PM > Uploads to Employee Official Personnel Folder
  - IOs: SOS > IOS > Uploads to Students SanWeb Profile > copies can be obtained by contacting the SCO (office that enrolled mbr into SOS)

- Important FYI Note: All 475’s (with exception to IO’s and Civilians) will reflect 92S0 as the student’s duty AFSC

**NOTE:** Transcripts requests are handled through the AU Service Desk website, not SOS.**
Taxi/Shuttle Services
Authorized on Base

On Time Taxi (334-505-1189)
Paul’s Taxi (334-300-0540)
Big John Cab Company (334-354-0755)
Checker & Deluxe Inc (334-241-0034)
Kings Airport Shuttle (334-324-1794)
Lane’s Taxi (334-324-1597)

**We are not advocating for any of these Taxi services**
Join us on your journey through #SOS23A
Welcome To SOS!

Primed to prevail in competitive environments
