THE AIR UNIVERSITY’S Teaching & Learning Center
together with Marine Corps University proudly presents:

Neuromyths
11 May | 1200–1330 CT 1300–1430 ET

featuring
Prof. Stase Wells
Leadership Communication Skills Center
Marine Corps University

Join us to learn how mind, brain, and education science relates to military learning communities. We will address common misperceptions about the brain so you can level up in your instructional practice!
