

CELEBRATING WOMEN'S HISTORY MONTH

This Women's History Month, we're celebrating the strength and accomplishments of women in the U.S. Air and Space Forces on our social media channels. Follow us on Twitter at @AirTeaching and on LinkedIn as we take a look back at some of our women heroes, discuss women's experiences as faculty and students in professional military

education, and honor the contributions of all women at Air University—including our AUTLC teammates!

MSOTL FORUM 2023 IS COMING IN HOT!

WHAT IS IT? A *free* conference for anyone who is interested in any aspect of military learning communities, from Tech Training to War College to everything in between. This is the only conference in the world that specifically focuses on educational research in military learning environments.

WHY SHOULD YOU CARE? MSOTL Forum presenters share their cutting-edge research on what works and what doesn't in military education, and they'll show you their evidence. Past attendees have said that what they appreciate most about this conference is the actionable recommendations they can immediately apply to their own classrooms and learning environments the very next day.

HOW CAN YOU GET INVOLVED? Our call for proposals will go live on 1 APR for the DEC 2023 conference. Registration to attend will open soon after. Follow us on social media and check out our AUTLC website for updates. Contact Dr. Megan J. Hennessey at megan.hennessey@au.af.edu for additional questions.

NEXT MEETING OF THE EDUCATIONAL WARGAMING NETWORK

Join us 7 MAR, 1300-1530 CT in the AUTLC Auditorium (2nd Floor of the MSFRIC, Bdg 1405) and online! Email us at AUTLC@us.af.mil to be added to the group and access the Zoom link.
