

# TEACHING & LEARNING CENTER

## Newsletter

The Air University (AU) Teaching & Learning Center (TLC) is the focal point for activities related to the enhancement of teaching and learning at AU. We provide resources, expertise, guidance and facilities to increase the ability of faculty to teach and students to learn.

### News

- The TLC and SOS are proud to host a special session on **Innovation and Design** featuring **Dr. Marc Katz**, MD, MPH, Chief of Cardiothoracic Surgery at the Medical University of South Carolina and a pioneer in robotic heart surgery, who will speak on Human Centered Design. Following his presentation, **Col Jason "TOGA" Trew**, Vice Commandant SOS, and **Mr. Bill DeMarco**, Chief of Innovation Development, Air University, will offer a panel discussion. Join us on **12 July, 1200-1300 (CDT)** for this unique opportunity. Join the event using this link: [rtmp://a.rtmp.youtube.com/live2](https://a.rtmp.youtube.com/live2).

- The **Air University Research Showcase** is a **FREE collaborative virtual event presented by MGMWERX and AU**. This two-day virtual event will highlight the best AU student work accomplished in AY21 in 15 virtual panels featuring AU alumni from every schoolhouse. The virtual showcase is scheduled for 7 and 8 June, starting each day at 0800 (CDT). For more information and to reserve a ticket for this virtual event, please visit [www.AUResearchShowcase.com](http://www.AUResearchShowcase.com).

### AU EDUCAUSE Membership Resources

Did you know AU provides membership in **EDUCAUSE** to civilian and military Airmen associated with AU?

## EDUCAUSE

EDUCAUSE is a nonprofit association whose mission is to advance higher education through the use of information technology. Air University is a member of EDUCAUSE under the stewardship of the TLC and A6. The purpose of the Maxwell-Gunter EDUCAUSE Network is to implement a local social network to support professional relationships and participation in EDUCAUSE. Some of the member benefits include:

- Staying up-to-date on trends/making informed decisions. Gain access to cutting-edge research, toolkits, publications, and analytics services. [Explore the library](#).
- Advancing your knowledge and career. As a member, you can turn to EDUCAUSE for additional professional development opportunities. [Explore professional development opportunities](#).
- Making connections and building your network. Educause provides opportunities to cultivate community and facilitates collaboration among members for the purpose of strengthening higher education. Through face-to-face events and online communities, members can collaborate with peers on new and existing challenges and develop innovative solutions. [Explore online communities](#).\*
