The Air University (AU) Teaching and Learning Center (TLC) is the focal point for activities related to the enhancement of teaching and learning at AU. We provide resources, expertise, guidance and facilities to increase the ability of faculty to teach and students to learn.

**News**

- Please join us in welcoming our newest addition! **Writing Specialist, Megan Varney** has arrived and is taking up the reigns in our Writing Center. We expect her to be in place around the middle of the month to begin assisting students and our volunteer faculty tutors.

- In preparation for in person classes we are suspending the weekly Faculty Essentials Course (FEC) online classes until further notice. The additional time is needed to place the finishing touches on the in person course. Stay tuned for more.

- On 27 October the AU TLC presented an overview of Learning Technology training and innovation/research support at the PME Future Technology Showcase in Polikta Auditorium. **MGMWERX** sponsored this event which highlighted five different learn-tech vendors and their innovative products.

**Student Support**

With the arrival of our Writing Specialist this month we fully expect a much needed boost to our student support mission. Our volunteer faculty tutors have been busy assisting students since the beginning of the academic year without missing a beat. Now, with the Writing Specialist seat filled, we fully expect our student support to soar. Here are just a few of the resources available in our **Writing Commons**:

- Dedicated specialist/Faculty volunteer tutors to help improve your writing skills. Contact us for help at any step in the writing process. Any faculty member interested in becoming a volunteer writing tutor please contact Megan Varney at 953-5233.

- Online Resources – If you prefer the self help approach **The Teaching and Learning Center website** has a wealth of student support materials, resources, and services. Resources available include the following topics:
  1. **How to Study**
  2. **Reading to Learn**
  3. **Note Taking and Listening**
  4. **Memory & Concentration**
  5. **Test Taking**
  6. **Academic Writing**
  7. **Research and Communication**
  8. **Time Management**
  9. **English as a Second Language (ESL)**

The TLC also provides advanced writing and research support for all AU students in the **Writing Commons Online Writing Lab (OWL)**.
