

THE AIR UNIVERSITY
Teaching & Learning Center
is excited to host the Second Annual

JSOTL

Joint PME Scholarship of Teaching and Learning Forum

11 May 2021

featuring plenary speaker **James M. Lang**, author of *Distracted: Why Students Can't Focus and What You Can Do About It* and *Small Teaching: Everyday Lessons from the Science of Learning*

Scan to see more information about our plenary speaker

This free, one-day, virtual conference features plenary sessions and breakout presentations of research specific to professional military education in 7 tracks: (1) evidence-based instructional strategies, (2) faculty development, (3) assessment, (4) learning theories and andragogy, (5) distributed learning, (6) educational technology, and (7) research methods. Improve your own teaching practice and reflective leadership by joining us on 11 May!
