

AWC DL Facilitated Course Schedule

Registration – Course registration is accomplished via AUSIS (<https://www.my.af.mil/aurepmprod/SIS/app>). Please remember that registering for a facilitated course is a two part process through AUSIS. First you need to select the facilitated course, then you need to "select group" to complete your registration. After registering, please place the date on your calendar as you will not receive a reminder. If you subsequently need to change the date, please do so prior to the registration deadline.

Deadlines – Please note, registration deadlines are firm dates because we contract the number of instructors based on the number of students enrolled as of that date.

Prerequisites – Course prerequisites must be completed and updated in AUSIS before you will be able to register for a facilitated course. It can take up to 48 hours for your course completion grade in Blackboard to be transferred and reflected in AUSIS, so please plan accordingly.

Problem Solving in National Security (PSNS):

PSNS regions will vary by month. We offer two different regions each month. There are six regions so every region is offered once every three months.

1. The last PSNS course of the year starts the 3rd week of November rather than the beginning of December.
2. PSNS classes require minimum of 10 students to create an effective learning experience. If we do not have at least 10, then students who registered will have the option of moving into the other region for that term or registering for a later class.
